HELPFUL HINTS

Please take into consideration that you are part of your display. We aim for a clean, attractive look at Denver Farmers' Markets. Awnings or umbrellas are highly recommended due to sun/heat or rain. Bring some type of weights, bottles of sand or water to weigh down. We also suggest bringing a box of trash bags or roll of flexible plastic in case of rain to cover you merchandise if necessary. It's best to be prepared.

A sign with your farm name is great, and customers know whom to look for when they come back. The spirit of commerce and fair pricing are recommended.
